SAFETY FOR NON-TECHNICAL MANAGERS

A One Day Workshop by Khalid Latif

10th May 2022

10:00 am - 4:30 pm

Venue: Royal Rodale Club, Karachi

OVERVIEW

A safe work environment is a reasonable expectation that employees have of their employers. Employees want their employers to protect them from job hazards, but it's important that employees realize they have a role in maintaining a safe workplace as well.

Safety is the business and responsibility of every employee and can be achieved through proper education, training and by following safety rules, regulations, standards, and laws. Each employee is responsible for understanding and practicing appropriate safety procedures and technical terms used.

Its is observed that most of technical terms and concepts used for Safety in Manufacturing Environment are difficult to understand by Non-technical / Commercial Managers. This module is specially designed for such employees. This will help Managers to work and communicate effectively and efficiently with Technical / engineering Managers in the organizations.
